2025 Lutron Complete Solutions Training Day (Includes RA3 Qualification)

Time: 8am-4pm with lunch, courtesy of Lutron

Title: Lutron Complete Solutions Training - RadioRA3 Qualification Plus Triathlon Select Shades

Description:

This one-day training will take you on a deep dive into Lutron's systems, including RadioRA3, Lumaris tape light, and Triathlon Select shading systems. The majority of the day will be spent exploring RadioRA 3 system design, software programming, and completing exam 761, so bring your laptop.

<mark>You must come to class with a valid PRO number.</mark>

Transform the way your residential clients interact with connected lighting control, our latest RGB color/ tunable white professional-grade tape light, and our NEW Triathlon Select battery-operated shading solutions. All partners will leave the training with complete qualifications & software access!

Before you attend, please:

1. **Create a Lutron LCI account if you do not already have one at**
   https://training.lutron.com/us/en
   AND
2. **Have a PRO Number or Submit your PRO application at**
   https://www.lutron.com/en-us/pages/caf/customerappform.aspx?app=lutronpro
3. **Complete the Rep-Led Pre-work:**
   1. OVW 704 System Design
   2. OVW 705 Software Programming Basics
   3. OVW 706 Commissioning & Servicing

Laptops are required for this training.

During this training you'll learn more about:

1. The Lutron Sunnata RF Family and RA3 Components

2. The Lutron Lumaris RGB+ & Tunable White Tape Light

3. Triathlon Select Shading Solutions

4. New Project Creation & Keypad Programming

5. Shared Scene, Occupancy, Timeclock Programming

6. Activation & De-activation

Lunch will be provided for all attendees.
